McKinney Falls is located right in the heart of Austin—within the city limits. It's a beautiful place with two sets of fall—an upper and lower. There are also places to swim, fish, hike, and bike.

We will be staying in screened-in shelters with bunk beds. You'll need to bring your own bedding and it might be a good idea to bring a fan or something too. We'll have lots of time to just hang out and play together so bring a friend and your imagination and it'll be a lot more fun. We will also spend day at the Volente Beach Waterpark!
