# FOREST GLEN

Forest Glen is a beautiful retreat center near Huntsville, TX in the middle of the Piney Woods. We will be staying in cabins with multiple bunk beds like the one seen in the picture below. They serve great home-style meals too. They have lots of activities including a basketball court, canoes, and a great little island in the middle of the lake for our evening campfires.

We'll also have some incredible worship times with a great band (Greenhouse Effect) and speaker (Hans Googer) who will lead us into the presence of God and a deeper understanding of the Scriptures.
